Helpful Hints:

- Program announcements are organized in the following order: funding agency, directorate/institute, and deadline.
- The notes section of the table offers additional information pertaining to the programs. "Newsletter Item" indicates that the program was recently published in our *Funding Resources* newsletter. "Limited Submission" indicates a limit on the number of Proposal UCSB may submit to the funding agency. The Office of Research coordinates limited submissions. If you are interested in applying, please contact Carla Whitacre, Director, Research Development, at ext. 3925, well in advance of deadline. Typically, pre-proposal and nominations are due to our office up to two months prior to the listed agency deadline. A list of limited submissions is available on our website at http://research.ucsb.edu/resources/limited_submissions.shtml.
- In order to receive a full and complete review, Sponsored Projects (in the Office of Research) must receive proposals at least four full working days prior to receipt deadlines at funding agencies.
- Requests for institutional cost sharing should be submitted to the appropriate dean(s) at least one month prior to the agency deadline.
- ACRONYMS are defined at the end of the deadline calendar.
