STAR Course Announcements

- STAR Certificate consists of 11 courses. To obtain a certificate, you normally must complete all 11 courses with two years.
- During this pandemic, the two year period has been extended. Please reach out to training@research.ucsb.edu for any exceptions.
- For any STAR Program questions: Contact Hilda Vasquez and/or Clarissa Cabrera at training@research.ucsb.edu.
- Zoom Classes will **not** be recorded for this 2023 series.
- Reminder to complete the STAR Evaluation. An evaluation will be sent out to registered participants after the class.

For questions during this presentation, please use 'Chat' feature and post to 'Everyone'

Subawards

Definitions

- **Subaward:** A formal binding legal agreement between the University of California (“UCSB”) and a non-UCSB entity.

Note: Also known as a Subgrant, Subcontract or Subagreement.

- **Multiple Campus Award (MCA):** A formal agreement between UCSB and another UC campus.

Subawards

- A defined portion of UCSB's statement of work is assigned to another entity/UC campus to fulfill and take full responsibility. In other words, we transfer a portion of the programmatic effort to another entity.
- The award terms & conditions that were accepted by UCSB as part of the prime award will automatically be flowed down to the Subrecipient.

How does a Subaward get started?

- PI realizes the need for expertise of a non-UC employee.
- PI is either familiar with someone who can perform this work, or shops around for someone with the expertise.
- Subrecipient is sent UCSB's Subrecipient Commitment Form.
- UCSB PI requests: SOW, Budget, Budget Justification, as well as other documents that might be required.
- PI compiles his/her proposal.
- Department sends all Subrecipient's documents to the Office of Research as part of the proposal.

Subawards

Characteristics

- Services are specialized in nature and cannot be performed by a UC employee.
- Subrecipient may direct a portion of the research.
- Subrecipient may co-author publications and reports.
- Office of Research administers
- All Subawards will be issued a number. For Subawards they start with KK for identification (ex: KK2116).

Subawards

Characteristics continued...

- Indirect Costs are charged on the first \$25,000
Note: See IDC Rate Agreement for details
- Renewal = New Subaward
Note: See Contract & Grant Manual 8-516
- DOE Labs LLNL & LANL include IDC on the first \$25,000
Note: See Contract and Grant Manual 8-540

Subawards

Why does it matter?

- If you do not determine the correct award mechanism at the proposal stage, it can affect your budget since subawards incur IDC on the first \$25,000.
- You may need to go back to the Sponsor and seek approval to add a subaward.
- May require prime sponsor forms.
- Requires Sponsored Projects forms.

Multiple Campus Awards (MCA's)

A subaward is a contractual arrangement between the Regents of the University of California and another separate legal entity. Because the Regents comprises all ten campuses, it is inappropriate for an individual UC campus to issue a Subaward to another UC campus. Therefore a multi-campus is issued.

MCA's continued...

- A Multiple Campus Award (MCA) is used to transfer the programmatic work between UC campuses.
- The campus which receives the prime award will be responsible for overseeing all work performed under that award. Any other involved UC campus will be responsible only for their portion of work.

MCA's continued...

Characteristics

- The total amount of the MCA's does not incur IDC.
- MCA's are issued an MC number for identification. (ex: MC2100).
- **MCA Commitment** form is required along with SOW, budget and any other required forms.
- The Department will not receive invoices. The Accounting Offices from each UC campus will communicate with each other through **Inter-campus Request for Reimbursement** form.

Subaward vs. Procurement Action

- Not sure if it should be a Subaward or Procurement?

- Look at the Subaward Determination Tip Sheets located at:
<http://www.research.ucsb.edu/spo/subawards/>
- Gather as much information from your PI and contact your Sponsored Projects Team or call the Contracts & Property Unit for assistance.

Purchasing Actions

What might a purchasing action be?

- Commercially available supplies.
- Consultants
- Survey firms
- Handled by Contracts & Property Unit.
- Incur IDC on the full amount.
- If the action does not require the Subrecipient to be responsible for a portion of the UCSB's work, its more likely a procurement of service.

Subawards to Individuals

Can we issue a subaward to an individual?

- UCSB is not able to issue Subawards to individuals.
- An individual is not equipped to meet federal accounting standards.

Fixed Price Subawards

- May require prior approval.
- Each fixed price subaward is limited the Simplified Acquisition Threshold (currently \$250,000).
- Can not be issued if mandatory cost sharing or match is required.

Office of Research Responsibilities

- Ensures that Subrecipient can comply with laws and regulations flowed down.
- Confirms that the Subrecipient has a Federally negotiated indirect cost rate agreement, if IDC is requested. If they do not have a Federally Negotiated Rate they can use:
 - A rate that has been approved by the DCAA (Defense Contract Audit Agency);
 - The de minimis rate of 10% MTDC; or
 - Rates as required by the prime sponsors policies/guidelines.
- Ensures Subrecipient has an acceptable financial monitoring system in place.

Principal Investigator's Responsibility

Proposal Stage:

- Completes and sign's the **Part A-1/A-2** form certifying that the costs proposed by the Subrecipient are allowable, allocable and reasonable for the sub's statement of work.
- Completes and sign's the Subrecipient vs. Contractor Determination Sheet

Note: this form is not needed for MCA's

Principal Investigator's Responsibility

During the life of the Subaward:

- Monitors Subrecipient's activities;
 - to make sure the subaward is being used for the authorized purpose;
 - following the terms and conditions
 - Meeting the performance goals
 - Monitoring expenses.
- Approves Invoices
- Completes the Subaward Invoice Certification (Department keeps).
- Ensures receipt of reporting.

Principal Investigator's Responsibility

- **Close-out:**
 - Ensures receipt of all required reports & deliverables.
 - Approves Final Invoice.
 - Completes and signs **Close-out Certification** form.

Subrecipient Responsibilities

- Fulfills the Statement of Work.
- If Federal Funds, spends in accordance with applicable costs principles.

Office of Management and Budget 2 CFR 200 “Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards” As of 12/26/2014:

- Complies with applicable terms & conditions of the prime award. (e.g. reporting, re-budgeting, prior approvals, etc.)
- Monitors both program & financial aspect of the subaward.
- Research Compliance (e.g. Human/Animal Subjects).

Questions....

Where to Start?

Guess what...It's all Online

- Visit the Office of Research website at www.research.ucsb.edu/spo/subawards
- On the website you will find, Policies; Procedures; Tip Sheets and Forms.

Subawards Webpage

The screenshot shows a web browser window with the address bar displaying "UCSB Office of Research - Su...". The page header features the UCSB Office of Research logo and navigation links: CONTACT US, SITE MAP, ORBIT, and a search bar. A blue navigation bar contains links: Home, About, Research Development, Sponsored Projects, Compliance, Forms & Policies, ARRA, and For Students. Below this is a secondary navigation bar with icons and links: Researcher's Toolbox, Seminar Calendar, and Print Version. The breadcrumb trail reads: Home » Sponsored Projects » Subawards.

- Contact your SPO team during the proposal pre-review period to determine the course of action.

Subaward Modifications

Use the SK Form 800 Part B to:

- Extend the Period of Performance
- Increase or Decrease funds
- Change reporting requirements
- Any other changes (PI Change/Change in Terms & Conditions)

Note you only need to fill out sections A&E

How do I know if the subaward was issued?

For Subawards: Department Liaison, PI & Accounting will get an e-mail from subawards@research.ucsb.edu with a:

- Notice of Subaward (SK Form 810)
- Fully Executed Subaward Agreement

For MCA's: Department Liaison, PI & Accounting will be copied on the email that is sent to the sister campus from subawards@research.ucsb.edu with a:

- Fully Executed MCA

Processing Time

- With new and modifications of Subawards and MCA's, Subaward Officer aims for a turn around of three weeks after receiving all documents.
- Negotiations can make this process lengthier.

Subrecipient Monitoring

UCSB PI & Department are responsible for:

- Reviewing invoices to ensure that:
 - Costs are allowable, allocable and reasonable.
See OMB Circular 2 CFR 200
 - Period of the invoice is within the Subawards period of performance.
 - Cumulative amount of invoices does not exceed the total obligated amount of the Subaward.
- Certifies that the project or activity have been completed or the level of effort was expended.

Invoices

Invoices must be approved by the PI

- Is the PI satisfied with the subrecipient's progress?
- Are the costs on the invoice allowable, allocable and reasonable

Subaward Invoice Certification Form must be completed and signed by PI

- Certification can also be obtained by email using the language on the form
- Kept in Departments files

Invoices must be sent to Accounting

- attn: Lakshime

Invoices must include:

- Subaward Number (KK####)
- Subrecipient's Name
- Period of Performance
- Cumulative Amount
- Date stamped upon receipt
- Approved by departments authorized representative
- For a cost reimbursement subaward we must make payment within 30 calendar days after receipt unless we reasonably believe that the request is improper.

Final Invoices

- Final Invoices must be sent to SPO (Attn: Daniela)
- Final Invoices must include:
 - State “Final”
 - Approved by departments authorized representative
 - Period of Performance
 - Subaward Number
 - Cumulative Total
- Completed & signed Subaward Close-out Certification (UCSB/OR Form 330)
