Sponsored Project Award Totals

The total funding awarded to sponsored projects at UCSB in 2011–12, from July 1 to June 30, was \$217 million, of which \$1.4 million was funded by the American Recovery and Reinvestment Act (ARRA). ARRA funds provided a one-time funding opportunity through extremely competitive programs run by federal research agencies, most of which were awarded and disbursed in Fiscal Year 2010.

\$217M

Total Awards

UCSB received \$172 million in direct and indirect federal funding, which represents 79 percent of the total sponsored project awards.

* Funds in the Indirect Federal category were awarded initially to another institution by the federal government for a multi-institution project, then flowed through for work performed at UCSB.
